1		Deduplicator	188.25 hrs?	Tue 03.09.19	Fri 20.12.19																																																																																																																	
2		Introduzione	4 hrs	Tue 03.09.19	Tue 03.09.19																																																																																																																	
3		Ricerca	4 hrs	Thu 05.09.19	Thu 05.09.19	2																																																																																																																
4		Ricerca Linguaggio	2 hrs	Thu 05.09.19	Thu 05.09.19																																																																																																																	
5		Ricerca Sicurezza	2 hrs	Thu 05.09.19	Thu 05.09.19	4																																																																																																																
6		Analisi	20 hrs	Fri 06.09.19	Tue 17.09.19	3																																																																																																																
7		Pianificazione	1 hr	Fri 06.09.19	Fri 06.09.19																																																																																																																	
8		Analisi del dominio	2 hrs	Fri 06.09.19	Fri 06.09.19	7																																																																																																																
9		Analisi e specifica dei requisiti	3 hrs	Fri 06.09.19	Tue 10.09.19	8																																																																																																																
10		Use Case	3 hrs	Tue 10.09.19	Thu 12.09.19	9																																																																																																																
11		Analisi dei Mezzi	3 hrs	Thu 12.09.19	Thu 12.09.19	10																																																																																																																
12		Design delle interfacce	4 hrs	Fri 13.09.19	Fri 13.09.19	11																																																																																																																
13		Design procedurale	4 hrs	Tue 17.09.19	Tue 17.09.19	12																																																																																																																
14		Progettazione	16 hrs	Thu 19.09.19	Thu 26.09.19	6																																																																																																																
15		Progettazione Daemon/Service	6 hrs	Thu 19.09.19	Fri 20.09.19																																																																																																																	
16		Progettazione GUI	10 hrs	Fri 20.09.19	Thu 26.09.19	15																																																																																																																
17		Documentazione	44 hrs	Tue 03.09.19	Thu 26.09.19																																																																																																																	
18		Implementazione Daemon/Service	54 hrs	Fri 04.10.19	Tue 05.11.19	14FS+14 hrs																																																																																																																
19		Implementazione entita	6 hrs	Fri 04.10.19	Tue 08.10.19																																																																																																																	
20		Implementazione controller percorsi	4 hrs	Thu 10.10.19	Thu 10.10.19	19																																																																																																																
21		Test Controller percorsi	2 hrs	Thu 10.10.19	Thu 10.10.19	20SS+2 hrs																																																																																																																
22		Implementazione controller scan	6 hrs	Fri 11.10.19	Tue 15.10.19	21																																																																																																																
23		Test Controller scan	2 hrs	Thu 17.10.19	Thu 17.10.19	22FS+2 hrs																																																																																																																
24		Implementazione report controller	7 hrs	Tue 15.10.19	Fri 18.10.19	22																																																																																																																
25		Implementazione controller file	2 hrs	Tue 15.10.19	Tue 15.10.19	24SS																																																																																																																
26		Test controller file and report	3 hrs	Thu 17.10.19	Thu 17.10.19	25SS+2 hrs;24SS+2 hrs																																																																																																																
27		Implementazione Scheduler	8 hrs	Thu 17.10.19	Tue 22.10.19	26																																																																																																																
28		Implementazione Autenticazione	10 hrs	Thu 17.10.19	Thu 24.10.19	27SS																																																																																																																
29		Test Autenticazione	12 hrs	Thu 24.10.19	Thu 31.10.19	28																																																																																																																
30		Test Scheduler	11 hrs	Thu 31.10.19	Tue 05.11.19	29																																																																																																																
31		Test Daemon/Service	6 hrs	Thu 07.11.19	Fri 08.11.19	18																																																																																																																
32		Implementazione GUI	36 hrs	Fri 08.11.19	Fri 29.11.19	31																																																																																																																
33		Implemetazione Client della GUI	8 hrs	Fri 08.11.19	Thu 14.11.19																																																																																																																	
34		Implementazione Schermata Login	6 hrs	Thu 14.11.19	Fri 15.11.19	33																																																																																																																
35		Implementazione schermata Path	8 hrs	Tue 19.11.19	Thu 21.11.19	34																																																																																																																
36		Implementazione schermata Duplicates	14 hrs	Fri 22.11.19	Fri 29.11.19	35																																																																																																																
37		Test GUI	14 hrs	Fri 29.11.19	Fri 06.12.19	32																																																																																																																
38		Test schermata duplicates	10 hrs	Tue 10.12.19	Fri 13.12.19	37																																																																																																																
39		Integrazione HTTPS nel progetto	4 hrs	Fri 13.12.19	Tue 17.12.19	38																																																																																																																
40		Documentazione	42 hrs	Tue 26.11.19	Thu 19.12.19	39FF																																																																																																																
41		Consegna	0 hrs	Fri 20.12.19	Fri 20.12.19	40
